---

I am a Wimbledon College of Arts graduate of Production Arts for Screen with a degree in Technical Arts. Having gained a comprehensive knowledge of the Art Department during my degree, working on music videos, commercials and volunteering on short film productions; I am excited to pursue my career within the television and film industry.

While I have been professionally trained as a Prop-maker, I am also experienced in set building, set dressing, scenic painting, storyboarding and location recce'ing.

---
